VIRGINIA VETERINARY DISCLOSURE FORM

Virginia law requires that all clients read carefully and sign:

Ferry Farm Animal Clinic has business hours as follows: Monday through Friday 8 am to 6 pm, Saturday 8 am to 12 noon. We are closed on Sunday and major holidays. Staff caretakers are on-duty from 7:00am to 6:00pm Monday through Friday, and from 7:30am to 12 noon on Saturday. Over weekends and major holidays, staff caretakers are available at least twice daily for patient care.

Therefore, this is to inform you that we have no in-house, on-duty continuous medical staff care during the following times:

1. Overnight – from 6:00 pm until 7:00 am the following morning.
2. Weekends – from Saturday at 12 noon until 7:00 am on Monday morning.
3. Holidays – from 6:00pm the day before the holiday until 7:00am on the morning after the holiday. On Christmas, this period extends from 12 noon on Christmas Eve until 7:00am on the next regular business day after Christmas.
4. Monday Holidays – from Saturday at 12 noon until 7:00am on Tuesday morning.

If 24 hour continuous care is desired, owners may transfer their pets to an animal emergency clinic of their choice for care during the hours when our clinic is closed. This is a separate facility from Ferry Farm Animal Clinic, therefore separate charges for medical care will be incurred as determined by the animal emergency clinic. The animal emergency clinics are closed during normal business hours, therefore patients will need to be transferred back to our facility when we reopen.

I have read this form and I am aware of the above staffing hours and policies.
